

Product Parts	Materials and detailed specifications
Solar Panel	60W-100W mono/poly crystalline solar panels(Laminated),life span>20 years
Battery	100AH/12V-150AH/12V maintenance-free pb Acid Storage Battery, lasts for 5-8 rainy days consecutively (10H per night)
Low-pressure Lamp	18W-35W 3-color saving bulb (3000H life span)/electromagnetism induction bulb (50000H life span) /low-pressure sodium (15000H life span)
Controller	ERA-03-10A type photovoltaic controller
Pole	Seamless Steel, Height: 5.00-7.00m
Working conditions	Working temp:-30°C-65°C,Wind resistance:≥120km/H
Warranty	2 years
