

Product Parts	Materials and detailed specifications
Solar Panel	27W/36pcs-45W/36pcs mono/poly crystalline solar panels (Laminated), life span>20 years
Battery	38AH/12V-65AH/12V maintenance-free Pb Acid Storage Battery, lasts for 5-8 rainy days consecutively (10H per night)
Low-pressure Lamp	6W/12V-9W/12V 3-color saving bulb (3000H life-span)/cold cathode bulb(10000H life span)
Controller	ERA-04-05A type photovoltaic controller
Pole	Seamless Steel/Cast Aluminium/Stainless Steel, Height: 2.60-4.00m
Working Conditions	Working temp: -30oC-65oC,Wind resistance: ≥ 120km/H
Warranty	2 years
